Local Architecture Firm Celebrates 40 years in Business

Evan Lloyd Associates is pleased to announce its 40th Anniversary in business. The company was founded in 1969 in Springfield, Illinois by Evan Russell Lloyd, Jr. who successfully led the firm until his passing in September of 1999. An employee group purchased the firm in January of 2000. That same group of devoted employees continues today with Timothy B. Smith as President and Gregory T. Frazier as Vice President.

Today, Evan Lloyd Associates is a leading architecture firm in the areas of architectural design, owner's representation and construction administration services primarily throughout Illinois and Missouri.

Evan Lloyd has been blessed to work with several companies over the past 40 years and has been successful in developing several areas of expertise in a diverse array of markets including but not limited to medical, office, financial, religious, retail, education, government/municipal, aviation, industrial, historic sites and parks.

Evan Lloyd Associates has a proven reputation for earning the respect from the many industries they serve. The clients rely on Evan Lloyd as a partner. The firm is with the client every step of the way from site selection to post-construction support. Evan Lloyd is an organization that believes strongly in effective communication and encourages their clients to be an active team member in the process.

Evan Lloyd Associates has recently earned awards from the Landmark Preservation Council of Illinois in 2007, American Institute of Architects/Chicago's 2007 Interior Architecture Award, the Illinois Capital Development Board's 2002 Thomas H. Madigan Outstanding Achievement Award and 2007 Executive Director's Award, Consulting Engineer's Council of Illinois 2003 Special Achievement Award, the 2004 Business Ethics Award from the Springfield Business Journal and the Greater Springfield Area Chamber of Commerce 2001 Small Business Owner of the Year.

The firms' owners have been active in the community of Springfield. They believe in "giving back" and supporting the place where each one lives and does business. Their firm's recent support ranges from the YMCA, the Chamber of Commerce, the Dana Thomas House Foundation, the Festival of Trees, the Mini O'Breine Crisis Nursery, the Muscular Dystrophy Association, local area schools, Downtown Springfield, Inc., and the Springfield Old Capitol Art Fair to name just a few.
